

Matchbox Lid & Box

By Jackie Topa

Use the bottom of the sizzix matchbox to make a quick and easy lid

1. To make the box, cut a piece of cardstock 7" x 7.5" and score all sides @ 2.5"
2. Snip along the score lines and trim the edges as shown.
3. Stamp if desired
4. Fold up your box and glue

Decorate the top of your box as desired. I used the Sizzix Daisy #2 die. To make the centre, punch a $\frac{3}{4}$ " circle from faux suede (tutorial @ jackietopa.typepad.com) Press the circle onto a pop dot.
