

Poinsettia Tea Bag/Gift Card Holder

Created by Jackie Topa

1. Score the piece of Gold Foil at 4¼" and fold in half.

2. Lay the folded foil on the Oval Accent Bigz Clear die with the fold to the bottom as shown in the photo above. *The folded bottom should be lined up with the square corners as shown by the green arrow.*

3. Cut a 2¾" x 5½" piece of Very Vanilla card stock and score it at 4¼". Centre it on the die and run it through your Big Shot. *Note: the edges of the die will be exposed as you only need to cut the curved shape at the top and bottom of your strip. The sides will remain straight.* Fold the strip on the score line.

4. Using Black Stazon Ink, stamp 2 poinsettias on the 3¾" strips, 2 on the 2¼" strips of Cherry Cobbler and 2 on the 1" strip of Crushed Curry. Stamp 4-5 leaves on the 1¾" strips Garden Green card stock.

5. Cut around the outside image of the poinsettias that were stamped on the widest strip of Cherry Cobbler and around the centre petals of the poinsettia that was stamped on the narrower strip of Cherry Cobbler. Cut around the berries that were stamped on the Crushed Curry. Cut out the Garden Green leaves.

6. Glue the flowers to the top rounded portion of the Very Vanilla strip. Do not put glue under the bottom portion of the flowers as you'll want them to lift and slide over the flower pot.

7. Stamp the sentiment on the bottom of the pot using Versamark ink and emboss with gold embossing powder.
8. Cut the rounded top off the front of the gold foil pot but leave the back one for support.
9. Put glue dots on the 2 rounded side edges of the flower pot and fold closed leaving enough room for the insert. Slide the insert into the pot. Spread some Dazzling Details over the poinsettias with a q-tip for some added bling.
