Score both of the 5 1/2" x 8 1/2" card stock pieces at 4 1/4" and 5". Overlap the two 4 1/4" sections and glue them together

Score the 6 1/4" x 2" So Saffron Cardstock 1" on both short sides and glue the 4" x 1 3/4" DSP to the front panel then punch out part of a circle as far as the punch will reach as shown above.

Punch a large scallop circle and some leaves, glue it to the panel and trim off the excess. Fold the two end flaps under and use them to glue the panel to the centre section of the card.

To make the holder for a gift card or sampler, fold two of the petal card punch, apply glue to the flaps and stick it to the card base. Decorate it with another scallop circle.

Tie a piece of Old Olive satin ribbon around the DSP before attaching it to the card front. Stamp a coordinating padded envelope.
